

REQUEST FOR QUALIFICATIONS #03-23-30018

Port Orchard Soil Remediation –EPA Multipurpose Workplan QEP

Due 11/29/2023 at 3:00 PM

Questions/Answers List 11/21/23

1. Question: How the Port of Bremerton will identify the contractor to execute the remediation at these two properties? Will the Port issue a request for quotation via your website or will the consultant selected for the subject contract be responsible for identifying the implementation contractor?

Answer: For construction activities subject to prevailing wage and considered Public Works, the Port will issue an Invitation for Bid. The consultant will not be selecting a contractor.

2. Question: What is the expected contract value?

Answer: The contract value would be the time and materials contract.

3. Question: Who is the incumbent and are they permitted to participate in this solicitation?

Answer: Pioneer Technologies. They are not prohibited from participating.

4. Question: Please clarify the properties that are applicable to this RFQ.

Answer: 521 and 525 Bay Street, Port Orchard, Washington.
